

## Privacy Policy of AN\_devs

**Last updated: [1/9/2025]**

At AN\_devs, we respect your privacy and are committed to being transparent about how we handle your data. This Privacy Policy explains what information we collect, how we use it, and your rights.

### Information Collection

Cloudflare: We use Cloudflare security service to protect users and our website against cybersecurity attacks. This may include some technical data. For more details, please review [Cloudflare's Privacy Policy](#).

Contact page: in the Contact Us webpage( [www.an-devs.com/contact](http://www.an-devs.com/contact) ), we use the Cloudflare Turnstile widget to protect against attacks such as DDOS. That may use a cookie to allow you to enter the form without having to take the robot test again. To clear that cookie, you can normally clear it by clearing your browser cache.

Mouse Cursor Tracking: On the webpage index.html, we track your mouse cursor solely to enable a glowing effect for an enhanced user experience.

Google Analytics: We use Google Analytics solely to improve website functionality and user experience and estimate the success of each project. The collected data includes:

- Page views: Capture a page view event each time a page loads or the website changes the browser history state.
- Scrolls: Capture scroll events each time a visitor gets to the bottom of a page.
- Outbound clicks: Capture an outbound click event each time a visitor clicks a link that leads them away from the website. For example, clicking our social media links.
- Form interactions: Capture a form interaction event each time a visitor interacts with a form on the website.

- File downloads: Capture a file download event each time a link is clicked with a common document and/or compressed file. For example, clicking the website's Privacy Policy link.

### **What We Don't Collect**

We do not use cookies except for the [Contact Us page](#).

We do **not** directly collect any **personally identifiable information** unless explicitly provided by you.

### **Hosting and Security**

Our website uses trusted and legitimate hosting providers to ensure reliability and security, while no data from users is collected.

We use the Cloudflare service to enhance the performance of our website and provide robust security. Cloudflare may process some technical data, such as IP addresses, for securing the website from malicious activities. For more details, please review [Cloudflare's Privacy Policy](#).

### **Use of Your Information**

To improve website functionality and user experience.

To secure our website and users from cybersecurity attacks.

### **Third-Party Services**

We rely on Google Analytics for data analysis and Cloudflare for website security. For more information, please review [Google's Privacy Policy](#) and [Cloudflare's Privacy Policy](#).

### **Changes to Privacy Policy**

This Privacy Policy is effective as of 1/9/2025 and will remain in effect, except concerning any changes in its provisions in the future, which will be in effect immediately after being posted on this page. We reserve the right to update or change our Privacy Policy at any time, and we will announce it in our official community server and on social media. Your continued access to the website after we post any modifications to the Privacy Policy on this page will constitute your acknowledgement of the modifications and your consent to abide by and be bound by the modified Privacy Policy.
